

Tillamook County Transportation District

"Connecting the community through sustainable transit services"

March 24, 2020

Oregon Governor Kate Brown issued Executive Order 20-12 directing Oregonians to *"Stay Home, Stay Healthy"* to the maximum extent possible except for carrying out essential tasks to include grocery shopping, going to the pharmacy and health care services.

Tillamook County Transportation District is working with local and State officials to respond to the COVID-19 (Coronavirus) outbreak and would like to remind passengers to stay home unless absolutely necessary. Below is an update on current TCTD services:

- All In-County buses are operating under normal schedules.
- All Intercity services to Portland and Salem are operating under normal schedules.
- Dial-A-Ride services are being limited to essential trips only.
- Administrative Office Hours are Monday-Friday by appointment only. Please call 503-815-8283 to schedule.

WHAT YOU CAN DO TO PROTECT YOURSELF AND OTHERS:

- If you are sick, please stay home.
- Only travel for essential tasks include groceries, pharmacy and health care needs.
- Frequently wash your hands.
- Practice "social distancing" by maintaining a minimum distance of 6 feet from other passengers while on the bus. There are fewer passengers riding buses and there is adequate room on the buses to be at least six feet from other riders.

WHAT THE DISTRICT IS DOING TO HELP PROTECT YOU AND OTHERS:

- Cleaning all buses and vans daily.
- Throughout the day, staff are wiping down all touch points on District vehicles.
- Throughout the day, staff are wiping down touch points at the Transit Visitors' Center and all other District facilities.
