6. NEW BUSINESS-  
   a. Statewide Transportation Improvement Fund FY’s 22-23 Formula Fund Project Prioritization- Executive Director Hazen presented a spread sheet that showed the current STIF project rankings. Executive Director Hazen reviewed the status of the projects that were selected and ranked by the committee for the previous biennium and said that today the committee needed to prioritize projects for the upcoming biennium. Hazen said he would ask that the committee does not cut any projects that have been started and that the committee highly prioritizes the projects that are in yellow. Hazen said the original set up was for funding between 100% and 130% due to there not being a way to tell exactly what the funding from the payroll tax would be. Hazen said we now know we will be receiving $656,787 for FY 2022 and $692,122 for FY 2023. Hazen discussed the status and Biennial Cost of the listed projects and said he had added the Ensign Lane Shelter project grant match to the list that will be needed if the grant is approved for the construction of the proposed shelter there. Hazen explained that because of COVID-19 the 7 busses ordered will be delayed so these funds will be moved over to the next biennium. Hazen said the total STIF funding available for the 2022-2023 Biennium is $1,348,909 and the Biennial Cost is $1,247,313 which leaves a difference of $101,597 which the committee will be talking about today. Diana Nino asked why some projects that are listed do not have an amount listed in the Biennial Cost column. Hazen said those are the items we will be discussing to determine if these projects will be moved forward or not. Hazen said there will be a significant carryover of about $800,000 in funding however with the COVID-19 spacing requirements which may last 3-4 years and driver turnover he is hesitant to use this to start new routes. Hazen said he applied for but did not receive a Cares Act Grant for relocating Operations to a larger area that will have space for bus storage and which is out of the tsunami zone and part of the

carryover could have been used as the match for that grant. However, he will be applying for another 
FDA 5339 Grant when it becomes available for the same project and the carryover could be used for the 
15 - 20% match for this grant as well.

Hazen recommended dropping the Jewell to Seaside, Knappa to Astoria and the Svenson/Knappa Shopper 
shuttle routes. Hazen asked that the committee discuss and then rank the remaining projects. Diana Nino 
asked if there was a chance that the Ensign Lane project would take longer that planned and the match 
amount would go up. Executive Director Hazen said that he did not think this project would go over. Tita 
Montero asked Hazen if the previous ranking was what he thought the 2022-2023 ranking should be. 
Hazen said no, he thought that we should start with the projects highlighted in yellow. Hazen said he 
wanted to share something that was touched on in the last meeting which is the Board has given direction 
to look at a rebranding effort. Hazen said that there had been a previous rebranding effort several years 
ago to change the name and logo but the name change did not happen. Hazen said we could investigate a 
brand refresh and a marketing effort to implement the change. Hazen said the SETD legal name will not 
be changed, but maybe we could come up with a catchy name that we could get our arms around and 
make it really something special and be ready to implement it when things open and resurge again. Hazen 
said he reached out to Studio 6, a marketing company from Colorado he had seen at a conference who do 
extensive community research and outreach when rebranding. Hazen said there estimate for rebranding 
was $77,300. Tita Montero said that taxpayers are hurting from a lot of different things and she does not 
think they would be favorable about an expenditure regarding changing a name or brand since we have 
house trouble with providing enough service. Tita also said she was concerned about the timing, when you say 
this could take us into when we resurge, I say we are spending money when everyone is hurting. Lin 
Anderson said this would be an unnecessary expenditure at this time and might be considered luxury 
spending with all the other problems we are having. Hazen said this would not be a burden on the 
taxpayers. Diana Nino responded to Tita saying that as a Board member, rebranding is not something we 
are actively seeking. Diana said the idea was thrown around, but the Board is not actively seeking a 
rebrand at this time. Lin Anderson said this is not supposed to effect taxpayers, but they will not see it 
that way, they will say it is luxury expenditure not a necessity. Tita said taxpayers do not understand the 
different pots of money and how they are used in different ways. After further discussion Patrick Preston 
recommended that there be a marketing study added to the STIF project list that evaluated what the best 
next steps would be for outreach, marketing, and rebranding.

Patrick asked each of the TAC members to give their input on what rank each of the projects should be 
for the upcoming biennium. Executive Director Hazen updated the spread sheet with the new ranking and 
costs. Updated STIF priority list:

1. Bus passes for students
2. Additional Frequency
3. Operate weekend Astoria Service.
4. Operate Warrenton Weekday Service
5. Operate Warrenton Weekend Service
6. 2 daily short round trips to Merts/Svensen/Knappa
7. New Shelters/Signage
8. Ensign Lane Shelter Project Match
9. New Buses
10. Implement Seaside Circular
11. Public Engagement Study

Doug Pilant moved to recommend to the Board of Commissioners the ranking that the TAC 
committee developed for the Statewide Improvement Fund for the upcoming biennium 
starting on July 1, 2021. 
Diana Nino seconded the motion.
